- 10.1. You must keep your account details and any associated passwords secure and confidential.
- 10.2. We are entitled to assume that anyone who accesses your account or service using your password does so by your authority.

11. Virtual computer security

- 11.1. The only security we provide for a virtual computer is that which is expressly advertised as part of the service.
- 11.2. You are solely responsible for:
 - 11.2.1. determining whether that security is sufficient for your purposes.
 - 11.2.2. implementing any other security measures you deem appropriate.

12. IP addresses

- 12.1. We may allocate one or more addresses to you on a temporary basis in connection with a service.
- 12.2. We may change IP addresses on reasonable notice to you.
- 12.3. You obtain no ongoing rights in relation to any IP address.

13. Third party software licenses

- 13.1. You must comply with the license terms of all software installed on a virtual computer.
- 13.2. You must not do anything that causes us to breach a software license.
- 13.3. You indemnify us against any loss, damage, claim, liability or demand we incur, or against any third party claim brought against us, due to your breach of a third party license.
- 13.4. You agree that during the term of your Service Contract, your fees may be adjusted due to any price changed by a third party license providers, after we have provided 30 days written notice of this change to you.
- 13.5. You agree to be bound by the terms of use of any third party software as provided to you by us.
- 13.6. You agree to allow reasonable access to your systems in order to audit software licenses provided by us to you under service provider agreements.

14. Information you supply us

You warrant that all information you supply to us in connection with your use of our services:

- 14.1. is true and complete in all material respects
- 14.2. will be kept up to date if it changes.

15. Compliance with laws

We supply to you a number of Virtual Machines upon which you install, or you instruct us to install, an operating system, various applications, data and downloads. If we are responsible for installing and maintaining your operating system and some applications then these services are covered under either our Project Services or Managed Services Product Terms.

These Cloud Services Product Terms apply only to the supply of the Virtual Machines upon which your software is installed and as such we require the various commitments from you below.

In using our services, you must comply with all applicable laws and regulations and, without limitation:

- 15.1. You must ensure that all software you install on a virtual computer is lawful, properly licensed and used in accordance with all laws and the license.
- 15.2. You must not use a service (or allow it to be used) to create, store, host, serve or transmit any:
 - 15.2.1. illegal content
 - 15.2.2. spam
 - 15.2.3. material that infringes copyright
 - 15.2.4. defamatory material

- 15.3. You must not use a service (or allow it to be used) in connection with or in furtherance of any fraudulent scheme or purpose.
- 15.4. You indemnify us against any breach of clause 15.2..

16. Rules

- 16.1. We may make and amend rules about the use of our services.
- 16.2. Any rules will not be a de facto variation of the rest of these terms.
- 16.3. You must comply with the rules.
- 16.4. These rules will not adversely impact your business.

17. Law enforcement

- 17.1. You authorise us to provide any information or comply with any request in relation to your or your account that is requested by any government, court or law enforcement agency.
- 17.2. We are not obliged to verify or validate the identity or authority of any such government, court or law enforcement agency if it appears to us, acting in good faith, to be legitimate.

18. Back up

- 18.1. Where you order backup services:
 - 18.1.1. You must identify and select the data you would like to backup and advise us in writing ('target data');
 - 18.1.2. We will only backup target data and nothing else;
 - 18.1.3. We will only provide services during business days in Sydney, Australia, and only undertake 1 backup per business day at any time of the day we choose.
- 18.2. You warrant that the target data is:

- 18.2.1. lawful; and
- 18.2.2. not held in contravention of any agreement, Court order or any third party's intellectual property rights.

19. Data Recovery

- 19.1. The decision to restore any data is entirely your own. We do not advise you on that.
- 19.2. You acknowledge that each data backup may overwrite any earlier back up.
- 19.3. You hold us harmless against any loss or harm that you or anyone else may suffer as a result of restoring data including because data you restore is out of date or overwrites newer data on your computer/s, or if the data which we have is not capable of restoration.
- 19.4. After your service is terminated, we are not responsible for storing or retaining the contents of a virtual computer or data storage.
- 19.5. It is solely your responsibility to copy and download any data you require before your service terminates.

20. Intellectual property rights

- 20.1. In relation to any IP works you create, modify, store, copy or transmit using our services, you warrant to us that you have all necessary legal right and authority to so create, modify, store, copy or transmit the IP works.
- 20.2. You indemnify us against any breach of the above warranty and against any claim by a third party that it has been breached.
- 20.3. If a third party claims that (or we have reason to believe that) there may be a breach of the above warranty, we are not obliged to provide any services until the issue is resolved to our reasonable satisfaction.
- 20.4. No intellectual property ownership rights transfer from you to us, or us to you, as a result of these terms or our services.

21. Termination of service

- In addition to any other right of termination we have, we may terminate any service immediately where:
- 21.1. we reasonably believe that there is excessive or unusual use of a service
 - 21.2. we reasonably believe that you are jeopardising the operation or quality of our systems or the services we supply to other customers;
 - 21.3. we reasonably believe that you are using the service to infringe any third party's intellectual property rights.
